

The Seventh Annual Point Venture Lions Golf Tournament
Saturday, June 4, 2011

Last year's golf tournament raised over \$20,000. These proceeds benefited the following Lions charities and the community of Point Venture:

- Texas School for the Blind and Visually Impaired – a special public school for students who have a visual impairment
- Texas Lions Camp – a residential camping facility for children with physical disabilities designed to introduce the “Can Do” philosophy to those dealing with medical issues
- Scholarships for deserving LVHS seniors
- Texas School for the Deaf
- Texas Service & Hearing Dogs
- LVISD Teacher Projects
- Service projects such as house number painting, trash pickup, Christmas food drive and care packages for troops in Afghanistan
- Other deserving residents and community activities

These organizations and projects will again benefit from your contributions and support. The Point Venture Lions are committed to serving those with special needs in our community and the world. Become a Lions Club sponsor by contacting any Point Venture Lions Club member or:

John Franz
267-9896

Joe Solpietro
267-3296
